check out this extremely hot gay romance collection featuring impossibly sexy and passionate short stories these stories are not for the weak this book includes five mm stories clinkers asher met ty when he was 16 ty influenced his life in a lot of ways drugs alcohol and same gender sex they started from friends before proceeding to having intimate sex the gay bond between them became stronger and almost inseparable exposed a new headmaster was appointed to a public school in ditchfield after the great war the new headmaster took special interest in boys lightfoot cutris were few of the boys he took as his partner his sexual partner he was able to control the student and manage the school properly at the end of the day the coach adam is the football coach of the private high school that he works for it is the beginning of the season he has been working with his kids since near the end of summer tryouts were done and ever with shane had been in position for a few weeks now over the month adam worked the three boys and the team slowly accepted them teddy was stv n somehow and every time they played steve was in the stands watching and he had been secretly crushing on adam after every game steve would be outside the locker room waiting for todd one of the last one for the year steve told todd to head out to the car that he would like to talk to the coach there he recruited a date and they started their relationship the nerd the story and the love connection began when we resumed shane everything looked boring we were grouped by mr carl the chemistry teacher into two to mix a lab partner i looked up in shock to see gardner thomas was standing next to me hanging gardner was a senior like me he played on the football team i was hooked for two reasons one that he would be taking chemistry and two that he was talking to me being a jock he was pretty popular especially compared to me i was a bookworm who hung out with two other nerds after the whole class grouping we started hanging out i never expected we would be that close though i found him out but we eventually fall in love weird fellows ril scott didn't think he was anything special at twenty one he had been in his job as a clerk in the accounting department of a medium sized legal text publishing business for a year he was glad that he didn't

have to wear quite beautiful then made him feel uncomfortable since people didn't often drop in especially not in the accounting department he would get away with a more casual dress than someone even allowed jeans so long as it wasn't too often and they weren't ripped up if anything riley would see he was overage bordering just a bit too much on the cute side but life for rileyScott was pretty typical for a young gay man nothing out of the ordinary at all the other kids picked on him in school though they didn't beat him up except for a few rare occasions that were more a punch or two than an actual beating the tount and tount he found he would live with he had a best friend who wasn't quite so comfortable around him but never completely dropped him if he more than the sum of his parts his life and orientation about it changed drastically when he met with a jobb someone like him no spoilers but you'll love this gay stories genre lgbt gay mm romance warning this book contains mature language and content intended for 18 readers only

a few years ago as I listened one night to my mother telling incidents of her life pioneering in the semi arid region of western Kansas it occurred to me that the picture of that early time was worth drawing and preserving for the future and that if this were ever to be done it must be done soon before all of the old settlers were gone this book is the result an effort to picture that life truly and realistically it is the story of an energetic and capable girl the child of German immigrant parents who at the age of seventeen married a young German farmer and moved to a homestead on the wind swept plains of Kansas where she reared eleven of her twelve children and remembering regretfully her own half day in school sent nine of them through college it is a story of grim and tenacious devotion in the face of hardships and disappointments devotion that never flagged until the long hard task of near a lifetime was done John Ise from the preface deeply moved by his mother's memories of a waning era and rapidly disappearing lifestyle John Ise painstakingly recorded the adventures and adversities of his family and boyhood neighbors the early homesteaders of Osborne County Kansas first published in 1936 his nonfiction novel Sod and Stubble has since become a widely read and much loved classic in the original Ise changed some identities and time sequences but accurately retained the uplifting and disheartening realities of prairie life von Rothenberger brings us a new annotated and expanded edition that greatly enhances Ise's timeless tale he includes the entire first

edition replete with Ise's charm wit and veracity restores four of Ise's original chapters that have never been published and adds photographs of many of the key characters in his notes Rothenberger reveals the true identity of Ise's family and neighbors provides background on their lives and places events within a wider historical and geographical context ushering us through a dynamic period of pioneering history from the 1870s to the turn of the century sod and stubble abounds with the events and issues fires and droughts parties and picnics insect infestations and bumper crops prosperity and poverty divisiveness and generosity births and deaths that shaped the lives and destinies of Henry and Rosa Ise their family and their community one hundred and twenty five years after Osborne County was organized and Henry Ise homesteaded his claim a corner of nineteenth century Kansas social history remains safeguarded thanks to the tenacity of John Ise and the insight of Von Rotheberger who enlivens Ise's story with revealing detail

author's notes at first I wanted to preface like other writers usually do thank you to friends editors and things like that without turning everything down I especially want to write something down before I forget I want to thank my sources Mr Larry Wilcox Sue Walsh and Imam Shamsi Ali even though I tried to write it the best possible there are a few things from this story that I have changed in such a way as to protect some people's privacy others I turned into fiction entirely because of the limited information I got I hope you guys like it
